A willingness to labor and "study to show thyself approved unto God..." will be what develops a student's personal capacity in fostering an ability in faith defense. With this will come effective growth.

Students will engage in formal and informal debates discussing and dealing with very real world topics that challenges the faith from all perspectives. Deliberate Debate is the key to crafting this.

Young believers will be inspired to recapture the oral defense of the faith, reestablishing its biblical intent and purpose in their lives.
